This Product is a derivative instrument according to Swiss law. It does not qualify as unit of a collective investment scheme pursuant to art. 7 et seqq. of the Swiss Federal Act on Collective Investment Schemes (CISA) and is therefore neither registered nor supervised by the Swiss Financial Market Supervisory Authority FINMA. Investors do not benefit from the specific investor protection provided under the CISA.

In addition, investors are subject to the credit risk of the Issuer and Guarantor.

This document is not a prospectus within the meaning of article 1156 of the Swiss Code of Obligations (CO).

I. Product Description

Market expectation of the Investor Price increase in the Underlying.

Product description This Product replicates the price movements in the Underlying (adjusted by the Conversion Ratio and, as the case may be, the Management Fee and the FX Rate) and is therefore in terms of risk comparable to a direct investment in the Underlying. On the Redemption Date, the Investor will receive a Cash Settlement equal to the Final Value of the Basket, as described under "Redemption".

Taxation Switzerland

Swiss Federal Stamp Duty	Secondary market transactions are not subject to Swiss stamp duty.
Swiss Federal Income Tax (for private investors with tax domicile in Switzerland)	For private investors with tax domicile in Switzerland holding the Product as part of their private property, gains realised during the term of the Product and on the Redemption Date qualify as capital gains and are therefore not subject to the Federal Direct Tax. The tax treatment regarding the cantonal and communal income taxes can differ from the tax treatment regarding the Federal Direct Tax. But in general the income tax treatments are corresponding.

Swiss Withholding Tax

The Product is not subject to the Swiss withholding tax.

On 1 January 2017 Switzerland has implemented the Automatic Exchange of Information in Tax Matters ("AEOI") with the EU and Australia, Jersey, Guernsey, Isle of Man, Iceland, Norway, Japan, Canada and South Korea. Switzerland is also negotiating the introduction of the AEOI with other countries. In this context the EU Savings Tax for Swiss paying agents and the Final Withholding Tax with UK and Austria was repealed.

The tax information is a non-binding summary and only provides a general overview of the potential Swiss tax consequences linked to this Product at the time of issue. Tax laws and tax interpretation may change at any time, possibly with retroactive effect.

Investors and prospective Investors are advised to consult with their tax advisers with respect to the Swiss tax consequences of the purchase, ownership, disposition, lapse or exercise or redemption of a Product in light of their particular circumstances. The Issuing Parties and the Lead Manager hereby expressly exclude any liability in respect of any possible tax implications.

Information with regards to bond floor taxation

Updated bondfloor information, if a bondfloor is applicable to the Product (according to "Product Details" and "Taxation Switzerland" herein), can be found on the following web page of the Swiss Federal Tax Administration (FTA): www.ictax.admin.ch. The Investor must be aware that for tax purposes the value of the bond floor is converted into Swiss Francs (CHF) at inception/purchase as well as at sale/redemption of the Product, in case the Product is denominated in another currency than CHF. Thus, the Investor is exposed to the foreign exchange risk with regard to the taxable income calculation and thus also the withholding tax calculation, if applicable. However, withholding tax on the bondfloor only applies if the Bondfloor at redemption (in %) is greater than the bondfloor at issuance (in %).

Product Documentation

The Indicative Termsheet includes the information required for a preliminary simplified prospectus pursuant to Article 5 of the Swiss Federal Act on Collective Investment Schemes ("CISA"). The Termsheet, which will be available no later than on the Issue Date, as well as the Final Termsheet include the information required for a definitive simplified prospectus pursuant to Article 5 CISA. The Termsheet contains a summary of information of the Product and is for information purposes only. **Only the Final Termsheet together with the Issuance and Offering Programme of the relevant Issuer valid as per the Initial Fixing Date containing all further relevant terms and conditions, as such is amended from time to time (the "Programme"), shall form the entire and legally binding documentation for this Product ("Product Documentation"),** and accordingly the Final Termsheet should always be read together with the Programme. Definitions used in the Final Termsheet, but not defined therein, shall have the meaning given to them in the Programme. **Even though translation into other languages might be available, it is only the Final Termsheet and Programme in English which are legally binding.**

Notices to Investors in connection with this Product shall be validly given in accordance with the terms and conditions of the Programme. In addition, any changes with regard to the terms and conditions of this Product will be published on the relevant Termsheet on www.raiffeisen.ch/structuredproducts, or for listed products, in any other form as permitted by the rules and regulations of the SIX Swiss Exchange Ltd. Notices to Investors relating to the Issuing Parties will be published on www.raiffeisen.ch/structuredproducts and/or on the web page of the respective Issuing Party.

During the whole term of this Product, the Product Documentation can be ordered free of charge from the Lead Manager Raiffeisen Switzerland Cooperative, Brandschenkestrasse 110d, 8002 Zurich (Switzerland), via telephone (+41 (0)44 226 72 20*) or via e-mail (structuredproducts@raiffeisen.ch). Please note that all calls made to numbers marked with an asterisk (*) are recorded.

Guarantee

This Product is secured under the Guarantee Agreement between the Issuer and the Guarantor which is governed by Swiss law. The Guarantor guarantees for the payment of the redemption amount or any other cash settlement amount, or, as the case may be, to deliver the Underlying, in cases of the Issuer's failure to deliver the Underlying or make payment of the redemption amount or any other cash settlement amount for the

benefit of the Investor in respect of any Product that is issued by the Issuer and for which the Guarantor guarantees.

The Guarantee Agreement applicable to this Product is included in the Programme of the relevant Issuer valid as per the Initial Fixing Date and a signed copy may be ordered free of charge from the Lead Manager.

II. Prospects for Profit and Loss

This product falls within the category "Participation Products". The profit the Investor could realize with this Product at redemption is unlimited (except for bearish products and products with the special feature "capped participation"). The redemption amount is directly linked to the performance of the Underlying(s), taking into account any participation rates or other features.

On the downside, especially if the product has forfeited any contingent capital protection (like e.g. a barrier, strike), the Investor is exposed to the negative development of the Underlying(s). This might (even if a stop loss event has occurred) lead to a partial or even a total loss of the investment.

Please refer to the sections "Product Description" and "Redemption" for more detailed information on the characteristics of this Product.

III. Significant Risks

Risk Factors Relating to the Product

The downside risk of this Product is the same as for the Underlying, i.e. the Investor could lose all of the investment if the Underlying's value falls to zero.

Additional Risk Factors

Prospective Investors should ensure that they fully understand the nature of this Product and the extent of their exposure to risks and they should consider the suitability of this Product as an investment in the light of their own circumstances and financial condition. Products involve a high degree of risk, including the potential risk of expiring worthless. Potential Investors should be prepared in certain circumstances to sustain a total loss of the capital invested to purchase this Product. Prospective Investors shall consider the following important risk factors and see the section "Risikofaktoren" of the Programme for details on all other risk factors to be considered.

This is a structured product involving derivative components. Investors should make sure that their advisors have verified that this Product is suitable for the portfolio of the investor taking into account the investor's financial situation, investment experience and investment objectives.

The terms and conditions of the Product may be subject to adjustments during the lifetime of the Product as set out in the Programme.

Investors whose usual currency is not the currency in which the Product is redeemed should be aware of their possible currency risk. The value of the Product may not correlate with the value of the Underlying(s).

Market Risks

The general market performance of securities is dependent, in particular, on the development of the capital markets which, for their part, are influenced by the general global economic situation as well as by the economic and political framework conditions in the respective countries (so-called market risk). Changes to market prices such as interest rates, commodity prices or corresponding volatilities may have a negative effect on the valuation of the Underlying(s) or the Product. There is also the risk of market disruptions (such as trading or stock market interruptions or discontinuation of trading) or other unforeseeable occurrences concerning the respective Underlyings and/or their stock exchanges or markets taking place during the term or upon maturity of the Products. Such occurrences can have an effect on the time of redemption and/or on the value of the Products.

No dividend payment

This Product does not confer any claim to receive rights and/or payments of the underlying, such as dividend payments, unless explicitly stated

herein, and therefore, without prejudice to any coupon or dividend payments provided for in this Termsheet, does not yield any current income. This means that potential losses in value of the Product cannot be compensated by other income.

Credit Risk of Issuing Parties

Investors bear the credit risk of the Issuing Parties of the Product. The Products constitute unsubordinated and unsecured obligations of the relevant Issuing Party and rank pari passu with each and all other current and future unsubordinated and unsecured obligations of the relevant Issuing Party. The insolvency of an Issuing Party may lead to a partial or total loss of the invested capital.

Potential Investors should note that the Issuer is not rated by the credit rating agencies, i.e. there is no credit rating for the Issuer.

Secondary Market

The Issuer and/or the Lead Manager or any third party appointed by the Issuer, as applicable, intends, under normal market conditions, to provide bid and offer prices for the Products on a regular basis (if specified in the section "General Information"). However, the Issuer and/or the Lead Manager, as applicable, make no firm commitment to provide liquidity by means of bid and offer prices for the Products, and assume no legal obligation to quote any such prices or with respect to the level or determination of such prices. In special market situations, where the Issuer and/or the Lead Manager is/are unable to enter into hedging transactions, or where such transactions are very difficult to enter into, the spread between the bid and offer prices may be temporarily expanded, in order to limit the economic risks of the Issuer and/or the Lead Manager.

Illiquidity Risk

One or, if applicable, more of the Underlyings might be or become illiquid over the life time of the Product. Illiquidity of an Underlying might lead to larger bid/offer spreads of the Product and/or to an extended time period for buying and/or selling the Underlying respective to acquire, unwind or dispose of the hedging transaction(s) or asset(s) or to realise, recover or remit the proceeds of such hedging transaction(s) or asset(s) which might implicate a postponed redemption or delivery and/or a modified redemption amount, as reasonably determined by the Calculation Agent.

Additional Information / Disclaimer

Prudential Supervision

Raiffeisen Switzerland B.V. falls within the consolidated regulatory supervision of Raiffeisen Switzerland Cooperative by FINMA. Raiffeisen Switzerland Cooperative is regulated as a Swiss bank and as a securities-dealer by FINMA by whom the respective licence was granted.

Conflict of Interests

The Issuing Parties and/or the Lead Manager and/or any third party appointed by them, as the case may be, may from time to time, as principal or agent, have positions in, or may buy or sell, or make a market as well as be active on both sides of the market at the same time in any securities, currencies, financial instruments or other assets underlying the products to which this document relates. The Issuer's and/or Lead Manager's and/or the appointed third party's trading and/or hedging activities related to this transaction may have an impact on the price of the Underlying and may affect the likelihood that any relevant Barrier Level, if any, is reached.

Remunerations to Third Parties

Depending on the circumstances the Issuer and/or Lead Manager may sell this Product to financial institutions or intermediaries at a discount to the Issue Price or reimburse a certain amount to such financial institutions or intermediaries (reference is made to section "General Information" herein). For open-end products such fees will be split linearly over ten years.

In addition, for certain services rendered by distribution partners and to increase quality and services relating to the Products, the Issuer and/or Lead Manager may from time to time pay trailer fees to such third parties.

Distribution fees are disclosed under "Distribution Fees" in section "General Information" herein.

Further information is available on request.

Issuer Estimated Value and Total Expense Ratio

The Issuer Estimated Value (the "IEV") and the Total Expense Ratio (the "TER") are calculated by the Issuer and/or the Lead Manager or any third party appointed by the Issuer, as applicable, on the Initial Fixing Date, or at the beginning of the subscription period and will not be updated during the lifetime of the Product. The TER corresponds to the difference between the Issue Price of the Product and the IEV and is comprised of the expected issuer margin and the Distribution Fee, if such is applicable (as stated in section "General Information" herein). The issuer margin covers amongst others the costs for the structuring, market making and settlement of the Product as well as the expected issuer revenues. The Issue Price (including the IEV and the TER) as well as the bid and offer prices of the Product are calculated based on internal pricing models of the Issuer and/or the Lead Manager or any third party appointed by the Issuer, as applicable.

Payment of a Coupon

If the Product stipulates the payment of a Coupon, the Investor is only entitled to receive the respective coupon payment, if he has purchased/not sold the Product at the latest on the Business Day preceding the respective Coupon Ex-Date for the then prevailing price.

No Offer

The indicative Termsheet is primarily provided for information purposes and does not constitute a recommendation, an offer or a solicitation of an offer to buy financial products.

No Representation

The Issuer, the Lead Manager and any third party appointed by them make no representation or warranty relating to any information herein which is derived from independent sources.

Marketing Partner

The Issuer, the Lead Manager and any third party appointed by them have entered into a distribution agreement with the Marketing Partner (the "Marketing Partner"). The Marketing Partner acts as distributor for this Product.
